

This Institution subscribes to Bates' Visual Guide to Physical Examination

Bates' Visual Guide features:

- Dynamic clinically oriented, head-to-toe assessment videos
- Interactive OSCE-style exercises to prepare students for exams and patient encounters
- Anytime, anywhere access on and off campus with this web-based platform
- Quick and easy searches and intuitive interface
- Accessible on computer, iPad, and smartphone
- Comprehensive and evidence-based—includes assessment techniques, health history, communication, and building the patient-practitioner relationship.
