

DeGowin's Diagnostic Examination

The classic internal medicine manual for students and residents!

Source: McGraw-Hill

Author(s): Richard F. LeBlond, Richard L. DeGowin, Donald D. Brown

ISBN-10: 0071409238

ISBN-13: 9780071409230

This handy guide addresses physical examination techniques and procedures while providing a catalog of clinical findings resulting from the physical examination. Thoroughly reorganized, the Eighth Edition of DeGowin's Diagnostic Examination features a more user-friendly, easy-access format than previous editions.

- n Get details on the diagnostic framework and examination
- n Learn how to perform a preoperative evaluation
- n Uncover best practices for the use of the laboratory and diagnostic imaging
