

Mastery of Surgery

An encyclopedic text of operative surgery.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Fischer, Josef E.

ISBN-10: 078177165X

ISBN-13: 9780781771658

No comparable text on the market offers this combination of comprehensive coverage and authoritative commentary. It complements standard textbooks by concentrating on the decision-making process and operative technique. Over 250 authorities walk the reader through the procedures and offer recommendations to relevant literature.

Included in this edition are:

- * Thoracoscopic procedures and increased coverage of laparoscopic procedures
- * Editorial comments at the end of each chapter for additional insight for the resident
- * Step-by-step depictions and descriptions of surgical procedures
- * More than 3,300 illustrations
