

Bioceramics and Alternative Bearings in Joint Arthroplasty: 10th BIOLOX Symposium. Proceedings

Proceedings of the BIOLOX symposium held in Washington, D.C. from June 10-11, 2005.

Source: Springer Science+Business Media

Author(s): D'Antonio, James A.; Dietrich, Martin

ISBN-10: 3798515182

ISBN-13: 9783798515185

This book presents the latest and most up-to-date source of scientific and clinical information regarding the use of ceramics and other alternative bearings in joint replacement surgery.

The Symposium pays tribute and recognition to the long anticipated awakening of the American markets to ceramics and alternative bearing technologies as well as to the city of Washington with a strong heritage dedicated to education and to international interaction.
