

Field Guide to Urgent and Ambulatory Care Procedures

This handy pocket guide features a "how to" approach to common problems that require immediate attention in an ambulatory care setting.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): James, David M.

ISBN-10: 0781728231

ISBN-13: 9780781728232

This book emphasizes handling urgent and emergent care situations quickly and efficiently, with a focus on low-tech procedures and skills. Descriptions are concise and provide basic procedures with the necessary skills.

- n More than 200 illustrations supplement the text, and there is a "Practical Tips" section for easy learning.
