

Lippincott Williams & Wilkins Hospital Collection

Source: Lippincott Williams & Wilkins (LWW)

The Lippincott Williams & Wilkins Hospital Collection is a perfect starter package for the hospital that is purchasing Books@Ovid for the first time. Featuring 30 top titles, such as Kaplan & Sadock's Comprehensive Textbook of Psychiatry and Cancer: Principles and Practice of Oncology, the collection is an affordable and practical collection for the hospital on a limited budget that requires access to leading references texts and handbooks to support its physicians, nurses, and students. It's also a great complement to ClinicalResource@Ovid, our point-of-care tool for supporting clinical-decision-making.
