

LWW Oncology Book Collection

An exhaustive collection of leading resources, including classic texts and newer references

Source: Lippincott Williams & Wilkins (LWW)

Oncology is one of Ovid's leading medical specialty areas, and this collection is in keeping with that! With the staple reference text of DeVita; Hellman; and Rosenberg's *Cancer: Principles & Practice of Oncology* (both 7th and 8th editions) as its anchor, this cost-effective package is a must-have for any institution.
