

Lippincott/Springhouse Nursing Collection

16 quality nursing books you need in one convenient collection

Source: Lippincott Williams & Wilkins (LWW)

Today's nursing professionals need authoritative, comprehensive, up-to-date information that's easily accessible. The Lippincott/Springhouse Nursing Collection is an unmatched resource for a wide range of nursing research needs. In one convenient package, you'll have access to practical, day-to-day reference guides as well as references for updating specialized clinical skills.

The Lippincott/Springhouse Nursing Collection is a complete source for essential, authoritative nursing content, making it a vital component of any comprehensive clinical or academic library.

- n Comprehensive coverage of key nursing topics in a single online collection - from core nursing knowledge and procedures, to specialized subjects
- n Quick and easy access to updated NANDA diagnoses, nursing interventions and treatments, plus state-of-the-art procedures, techniques and equipment
- n Coverage of key nursing considerations and practices - from patient and family teaching, to complementary therapies, to current drug information
