

Wilson Art Index

Indexing of close to 400 international art publications

Source: H.W. Wilson Company

Now with a broader coverage of contemporary art around the world, new emphasis on Canadian, Latin American and Asian arts, new artists, exhibition reviews, non-western art and feminist criticism, Wilson Art Index provides comprehensive indexing of 377 international art publications, including English-language periodicals, yearbooks, and museum bulletins, as well as periodicals published in French, Italian, German, Spanish, Japanese, Dutch, and Swedish. This database is a critical resource for any type of art research. Art Index references paintings that appear as illustrations for articles or advertisements, listing the works under the artists' names with full bibliographic citations.
