

Lippincott Williams & Wilkins Nursing & Health Professions Premier Collection

This exclusive collection gives you nearly 70 of today's top nursing journals used by nurses, nursing students and health professionals around the world on a daily basis

Source: Lippincott Williams & Wilkins (LWW)

For institutions exploring electronic journals that meet the needs of their nursing professionals, students, researchers and other professionals, this collection is a perfect solution. It's a convenient and affordable way to give users access to nearly 70 of the best titles addressing today's nursing and allied health topics.

At Ovid we know that quality of care is a top priority and it depends on access to the most current medical research information available. With the LWW Nursing & Health Professions Premier Collection, your organization will benefit from highly respected nursing information from Lippincott Williams & Wilkins, paired with Ovid's superior searching capabilities and exclusive linking options.

- n A single, integrated interface, with advanced searching and browsing features across all journals
- n Current, highly respected nursing titles covering both general and specialty subjects
- n Direct journal links from databases such as MEDLINE and British Nursing Index
- n 100% search full text - every word, graphic and caption, cover to cover
- n Customizable user features, such as AutoAlerts, Expert Search and Ask A Librarian
