

LWW Journal Definitive Archive

More than 4 million pages of archival material from more than 230 journals in medicine, healthcare, and nursing

Source: Lippincott Williams & Wilkins (LWW)

Available via Journals@Ovid, the LWW Journal Definitive Archive gives you instant access to the backfiles of more than 230 high-quality journals from one of the world's most prestigious publishers. Over the years, these titles have chronicled important breakthroughs in research and techniques in research in major medical and clinical specialties, from nursing and cardiology to infectious disease and anesthesiology.

What kind of foundational literature can you find in the Archive?

- Important literature on how E-coli infections spread in children
- The establishment of a pediatric Crohns-Disease Activity Index
- Results of a physician's survey on echocardiographic measurements
- The introduction of the Injury Severity Score, which emergency care professionals use to quickly evaluate victims of multiple injuries

For a complete list of journals, including precursor titles, included in the LWW Journal Definitive Archive, contact your Ovid Account Representative.

- n More than 4 million pages - over 40,000 issues and close to 1 million articles
- n Coverage spans Volume 1, Issue 1 to the final issue of 2003
- n Seminal research from Nobel Laureates and other world-renowned scientists
- n Pages presented in PDF format, with searchable headers and abstracts
- n Simultaneously searchable with the current files, for a complete chronological record for a journal
- n Subject-specific, individual title, and collection subsets are also available - contact your Ovid Account Representative for more information
- n More than 92% of available files sourced - well above the industry standard
