

## Ovid Nursing Collection II: Lippincott Premier Nursing Journals

***For premier nursing content paired with outstanding search tools, extraordinary linking, and 100% searchable full text - the answer is Ovid***

Source: Lippincott Williams & Wilkins (LWW)

For institutions exploring electronic content offerings for their nursing professionals, students and researchers, Ovid's Nursing Collection I and Nursing Collection II: Lippincott Premier Nursing Journals are excellent starting points. More than just a sample of nursing titles, each has been carefully designed to bring you only the finest nursing journals available, delivered via an interface that provides unparalleled search and linking tools for the expert user to the novice.

Because these titles are available to you from Journals@Ovid, all are linked via our rich full text to full text links, creating an outstanding web of knowledge. So you'll benefit from the top nursing information available today, packaged to fit your institution's budget, within a searching environment that allows you to take that information to the next level.

Purchased together or individually, these fine collections are sure to become a popular mainstay among your institution's nursing resources.

- n The most up-to-date, respected nursing titles for your clinical decision and research support
- n Direct journal links from databases such as CINAHL®, MEDLINE® and British Nursing Index
- n 100% searchable full text - every word, graphic and caption, cover to cover
- n Unlimited access to all tables of contents and bibliographic citations for every journal, plus free tables of contents for more than 1000 biomedical e-journals
- n Millions of links possible - from full text to full text, full text to bibliographic databases, external URLs, and more!
