

Ovid Essential Nursing Collection

The most comprehensive online collection of nursing journals in the world

Source:

Ovid's Essential Nursing Collection provides electronic versions of today's leading titles in nursing and related studies - such as The American Journal of Nursing, Journal of Nursing Scholarship, Nursing Standard, and Nursing Management - and pairs them with the superior searching capabilities of the Journals@Ovid interface. Together, this combination of premium nursing content and effective research tools represents a complete information solution to help answer your important nursing questions.

- n A one-stop solution for all your nursing information support needs - patient care, education, research, administration
- n 40 premier nursing journals accessible directly from CINAHL®, MEDLINE®, British Nursing Index, and other vital Ovid databases
- n Cover to cover access - 100% searchable full text, plus graphics and captions for every article
- n Free tables of contents and bibliographic citations for over 500 biomedical e-journals
