

Topics in Language Disorders

Celebrating 28 years of content, Topics in Language Disorders (TLD) is a double-blind peer-reviewed topical journal.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Nickola Wolf Nelson

ISSN: 02718294

EISSN: 15503259

TLD has dual purposes: (1) to serve as a scholarly resource for researchers and clinicians who share an interest in spoken and written language development and disorders across the lifespan, with a focus on interdisciplinary and international concerns; and (2) to provide relevant information to support theoretically sound, culturally sensitive, research-based clinical practices.
