

Journal of Psychiatric Practice

The Journal of Psychiatric Practice combines clinically applicable reviews, case studies, and articles on treatment advances with informative "how to" tips for surviving in a managed care environment.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Oldham, John M.

ISSN: 15274160

EISSN: 15281145

The Journal of Psychiatric Practice seizes the day with its emphasis on the three Rs — readability, reliability, and relevance. Featuring an eye-catching style, the journal combines clinically applicable reviews, case studies, and articles on treatment advances with practical and informative tips for treating patients. Mental health professionals will want access to this review journal — for sharpening their clinical skills, discovering the best in treatment, and navigating this rapidly changing field.
