Digestive Endoscopy

Official Journal of the Japan Gastroenterological Endoscopy Society

Source: Blackwell Publishing

Author(s): Tatsuo Yamakawa

ISSN: 09155635 EISSN: 14431661

Digestive Endoscopy is published four times per year by Blackwell Publishing Asia on behalf of the Japan Gastroenterological Endoscopy Society and the Asian Pacific Society for Digestive Endoscopy. Digestive Endoscopy serves as a medium for presenting original articles that offer significant contributions to knowledge in the broad field of endoscopy. The Journal also includes case reports, informal editorial opinions, abstracts, and news items that may be of interest to endoscopists. All articles are peer-reviewed by at least two experts (except for Invited Articles) in the field of the submitted paper.
