## Internal Medicine Journal

*The official journal of the Adult Medicine Division of The Royal Australasian College of Physicians (RACP)*

---

Source: Wiley-Blackwell

Author(s): Edward Byrne

ISSN: 14440903

EISSN: 14455994

This major scientific medical journal publishes original medical research, both laboratory and clinical, relating to the study and research of human disease. Papers will be considered from all areas of medical practice and science. The Journal also has a major role in continuing medical education and publishes review articles relevant to physician education. The Journal's international focus is supported by a team of subspecialty editors who actively recruit influential and topical material in all fields.
