

Critical Pathways in Cardiology: A Journal of Evidence-Based Medicine

Official Journal of the Society of Chest Pain Centers

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Cannon, Christopher

ISSN: 1535282X

EISSN: 15352811

The journal presents critical pathways for specific diagnoses -- complete with evidence-based rationales -- and publishes studies of these protocols' effectiveness. Critical Pathways in Cardiology translates evidence into practice, giving clinicians the tools to determine the best, most cost-effective patient management plans. This peer-reviewed quarterly journal provides the latest details of new diagnostic tests and treatments and updated critical pathways.
