

Infants & Young Children: An Interdisciplinary Journal of Special Care

Infants & Young Children is an interdisciplinary journal focusing on vulnerable children from birth to five years of age and their families.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Bruder, Mary Beth

ISSN: 08963746

Of special interest are articles involving innovative interventions, summaries of important research developments and their implications for practice, updates for high priority topic areas, balanced presentations of controversial issues, and articles that address issues involving policy, professional training, new conceptual models, and related matters. Although data are often presented primarily to illustrate points, some types of data-based articles may be appropriate.
