

## Academic Medicine

***Academic Medicine is the official, peer-reviewed journal of the Association of American Medical Colleges and serves as an international forum for the exchange of ideas, information, and strategies to address the major challenges facing the academic medicine community as it strives to carry out its missions in the public interest.***

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Steven L. Kanter

ISSN: 10402446

The journal's areas of focus include: education and training issues; health and science policy; institutional policy, management, and values; research practice; and clinical practice in academic settings.

Statements or opinions expressed in Academic Medicine reflect the views of the author(s) and do not reflect the official policy of the Association of American Medical Colleges unless this is clearly specified.
