Journal of Youth and Adolescence

A multidisciplinary research publication

Source: Springer Science+Business Media

Author(s): Daniel Offer

ISSN: 00472891

EISSN: 15736601

Journal of Youth and Adolescence provides a single, high-level medium of communication for psychiatrists, psychologists, biologists, sociologists, educators, and professionals in many other disciplines who address themselves to the subject of youth and adolescence. The journal publishes papers based on experimental evidence and data, theoretical papers, comprehensive review articles, and clinical reports of relevance to research.
