

## Clinical Nutrition Insight

***Convenient way to stay abreast of the latest developments in nutritional research, recommendations, and guidelines affecting every type of patient.***

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Russell J Merritt MD, PhD

ISSN: 19388640

With the active participation of an editorial board of respected nutritionists, this monthly newsletter delivers the information you need in a convenient format. Each issue provides concise, authoritative, and accurate articles designed to deal with nutritional problems encountered every day. The newsletter includes reports on current advances in nutrition research and reviews by some of the most distinguished names in the field. Clinical Nutrition Insight also offers continuing education credits.

- n Twelve issues per year
