

Journal of the Association of Nurses in AIDS Care

Source: Elsevier

Author(s): Richard L. Sowell PhD, RN, FAAN

ISSN: 10553290

The Journal of the Association of Nurses in AIDS Care covers the spectrum of nursing issues in HIV/AIDS: education, treatment, prevention, research, practice, clinical issues, awareness, policies and program development. This peer-reviewed journal is a forum for nurses and other health care professionals whose focus is the care and treatment of individuals infected and affected by HIV/AIDS.

The Journal of the Association of Nurses in AIDS Care offers the latest information in the areas of health care delivery, program implementation and research analysis and application.
