

American Journal of Epidemiology

Source: Oxford University Press (OUP)

Author(s): Moyses Szklo, MD, DrPH

ISSN: 00029262

EISSN: 14766256

The American Journal of Epidemiology is the premier epidemiologic journal devoted to the publication of empirical research findings, methodologic developments in the field of epidemiologic research and opinion pieces. It is aimed at both fellow epidemiologists and those who use epidemiologic data, including public health workers and clinicians.
