## Radio Journal, the: International Studies in Broadcast and Audio Media

*This journal is available exclusively through the Intellect Arts and Creative Media Collection, and not available a la carte.*

---

Source: Intellect Ltd

Author(s): Ken Garner

ISSN:

Published in association with the Radio Studies Network, the UK's association for researchers/teachers of sound broadcasting, and is a peer reviewed publication for all those interested in the production, reception, texts, and contexts of radio and audio media, including all structures, forms and genres of radio broadcasting, as well as net distribution/audio streaming of radio, CD-ROMs, books on tape, and sound art.
