

Medical Care

Rated as one of the top five journals in healthcare administration, Medical Care, the official journal of the Medical Care Section of the American Public Health Association, is devoted to all aspects of the administration and delivery of health care.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Catarina Kiefe; Jeroan J. Allison

ISSN: 00257079

EISSN: 15371948

Medical Care publishes original, peer-reviewed papers documenting the most current developments in the rapidly changing field of healthcare. This scholarly and timely journal reports on the findings of original investigations into issues related to the research, planning, organization, financing, provision and evaluation of health services.

In addition, numerous special supplementary issues that focus on specialized topics are produced with each volume. All subscribers to the journal receive copies of supplemental issues along with their regular issue.
