Psychological Medicine

Key research in clinical psychiatry and related basic sciences

Source: Cambridge University Press

ISSN: 00332917

EISSN: 14698978

Now in its third decade of publication, Psychological Medicine is a leading international journal in the field of clinical psychiatry and the basic sciences relating to it. Each issue contains original articles reporting key research being undertaken worldwide, together with shorter editorials by distinguished scholars and an important book review section.
