

Current Opinion in Psychiatry

This reader-friendly, bimonthly resource provides a powerful, broad-based perspective on the most important advances from throughout the world literature.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Norman Sartorius; David J. Kupfer

ISSN: 09517367

EISSN: 14736578

Featuring renowned guest editors and focusing exclusively on one to three topics, every issue of Current Opinion in Psychiatry delivers unvarnished, expert assessments of developments from the previous year. Insightful editorials and on-the-mark invited reviews cover key subjects such as personality disorders and neuroses, mood disorders, center for health studies, schizophrenia, behavioural medicine, addictive disorders, neuropsychiatry, child and adolescent psychiatry, services research and outcomes, and developmental disorders.
