

Drugs

Drugs is the definitive guide to optimizing drug therapy.

Source: Springer Science+Business Media

Author(s): Dene C. Peters

ISSN: 00126667

For over 35 years Drugs has been the definitive journal of drugs and therapeutics, providing independent and crucial information authored by leading international clinicians and researchers.

Through a rigorous and comprehensive program of peer-reviewed evaluations Drugs provides detailed and genuinely objective analysis covering the full spectrum of new and established drug therapies in all disease areas.
