

Journal of Neurologic Physical Therapy

The Journal of Neurologic Physical Therapy (JNPT) is the official quarterly publication of the Neurology Section of the American Physical Therapy Association.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Edelle C. (Edee) Field-Fote

ISSN: 15570576

EISSN: 15570584

JNPT publishes research articles, critical reviews, case reports, and special interest papers that contribute to the development of theory, evidence and the effective use of physical therapy for individuals with neurologic conditions. Included are articles related to, but not limited to examination, evaluation, prognosis, intervention, and outcomes that span the continuum from pathophysiology to ability. The journal contains original research as well as integration and interpretation from the diverse areas of study that contribute to the formulation of neurologic physical therapy.
