

Menopause: The Journal of the North American Menopause Society

Menopause provides a forum for new research, applied basic science, and clinical guidelines on all aspects of menopause.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Schiff, Isaac

ISSN: 10723714

EISSN: 15300374

The scope and usefulness of the journal extend beyond gynecology, encompassing many varied biomedical areas, including internal medicine, family practice, medical subspecialties such as cardiology and geriatrics, epidemiology, pathology, sociology, psychology, anthropology, and pharmacology. This forum is essential to help integrate these areas, highlight needs for future research, and enhance health care.
