American Journal of Perinatology

Source: Thieme Medical Publishers

ISSN: 07351631

EISSN: 10988785

The American Journal of Perinatology is the definitive forum for today's specialists in obstetrics, neonatology, perinatology, and maternal/fetal medicine. Each issue maintains a critical balance of original, peer-reviewed articles on all aspects of perinatal and critical care management, including maternal risk factors, antenatal diagnosis and intervention, abnormalities and complications of pregnancy, labor and delivery, and congenital and acquired diseases and disorders in newborns.
