

Journal of Emergency Nursing

The Journal of Emergency Nursing is highly acclaimed by emergency nurses, nurse managers and emergency departments.

Source: Elsevier

Author(s): Renee S. Holleran

ISSN: 00991767

EISSN: 15272966

As the official peer-reviewed journal of the Emergency Nurses Association (ENA), the Journal of Emergency Nursing reaches the greatest number of emergency nurses, emergency/trauma departments and emergency department managers of any journal. The journal is always expanding its coverage of the practice and professional issues, based on current evidence, that challenge emergency nurses every day. It features original research and updates from the field.
