

American Journal of Infection Control

AJIC covers key topics and issues in infection control and epidemiology.

Source: Elsevier

Author(s): Elaine L. Larson

ISSN: 01966553

EISSN: 15273296

Infection control professionals, including physicians, nurses, and epidemiologists, rely on AJIC for peer-reviewed articles covering clinical topics as well as original research. As the official publication of the Association for Professionals in Infection Control and Epidemiology, Inc. (APIC), AJIC is the foremost resource on infection control, epidemiology, infectious diseases, quality management, occupational health, and disease prevention. AJIC also publishes infection control guidelines from APIC and the CDC.
