## Dermatology Nursing

---

Source: Anthony J. Jannetti, Inc.

ISSN:

Dermatology Nursing is nursing's premier skin care resource. The journal publishes state-of-the-art, peer-reviewed articles on all aspects of skin and wound care. Dermatology Nursing provides its readers with the multifaceted information they need to provide clinically excellent patient care and to enhance their patient care practice. The Journal publishes clinical and theoretical information relevant to specialists in dermatology and nurses in other specialties who deliver comprehensive, quality care. Dermatology Nursing supports a mission to develop and foster the highest standards of dermatology nursing skin and wound care through education and research.
