

AACN Advanced Critical Care

As an official publication of the American Association of Critical-Care Nurses, AACN Advanced Critical Care is the premier source of information for the critical care and acute care nurse, CNS and NP.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Mary Fran Tracy

ISSN: 15597768

AACN Advanced Critical Care offers more support to keep your critical care practice up to date. The journal has broadened its scope to cover the full range of critical care challenges, including moral distress in caregivers, understanding advanced modes of mechanical ventilation and preventing and managing complications of critical illness. In addition, the journal delivers the newest, most crucial advice on such topics as dealing with complex ECG rhythms, new critical care drugs and leading-edge technologies.
