

AORN Journal

Source: Elsevier

ISSN: 00012092

AORN Journal is an award-winning source of perioperative nursing information. The Journal is published monthly and provides articles on clinical management and research topics; updates on clinical issues, perioperative pharmacology, OR nursing law and legislation; and features such as book reviews, practical innovations, Board reports, conference reports, and home study programs. Author guidelines and intent-to-submit forms are published often.
