

PharmacoEconomics

PharmacoEconomics offers economic evaluations of drug therapy and pharmacy services.

Source: Springer Science+Business Media

Author(s): Christopher I. Carswell

ISSN: 11707690

PharmacoEconomics is the benchmark journal for peer-reviewed authoritative and practical review articles and original research on the application of pharmacoeconomics and quality-of-life assessment to optimum drug therapy and health outcomes.

An invaluable source of applied pharmacoeconomic information to help inform health policy and an invaluable educational resource for the healthcare decision-maker and government regulator.

PharmacoEconomics is dedicated to the clear communication of complex pharmacoeconomic issues related to patient care and drug utilization.
