

Journal for Nurses in Staff Development(JNSD)

The official publication of the National Nursing Staff Development Organization, the Journal for Nurses in Staff Development (JNSD) is a specialized source of information for staff development and patient educators in all healthcare settings.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Peutz, Belinda E.

ISSN: 10987886

JNSD provides information on planning, implementing, and evaluating educational activities; administration of staff development departments; research in the specialty; technological or other innovations; and issues in staff development and patient education that may influence the field. Original articles focus on issues affecting staff development in hospitals and other healthcare facilities as well as the latest innovations in education, research, and technology; educating nursing and other hospital staff; competence assessment; developing, implementing, and evaluating program effectiveness; and computer-aided instruction.
