

Otology & Neurotology

Otology & Neurotology publishes original articles relating to both clinical and basic science aspects of otology, neurotology, and cranial base surgery.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Niparko, John K.

ISSN: 15317129

EISSN: 15374505

As the foremost journal in its field, Otology & Neurotology has become the favored place for publishing the best of new science relating to the human ear and its diseases. The broadly international character of its contributing authors, editorial board, and readership provides the journal its decidedly global perspective.
