Journal of Thoracic & Cardiovascular Surgery

Source: Elsevier

ISSN: 00225223

EISSN: 1097685X

The Journal of Thoracic and Cardiovascular Surgery presents original, exclusive articles on conditions of the chest, heart, lungs, and great vessels where surgical intervention is indicated. An official publication of the American Association for Thoracic Surgery and the Western Thoracic Surgical Association, this journal focuses on techniques and developments in cardiac surgery, pacemaker insertion/removal, lung and esophageal surgeries, heart and lung transplantation, and other procedures.
