

## Strength and Conditioning Journal

***Strength & Conditioning Journal, the official journal of the National Strength and Conditioning Association, is the professional journal for strength coaches, personal trainers, physical therapists, athletic trainers, and other health professionals working in the strength and conditioning field.***

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Chandler, T. Jeff

ISSN: 15241602

The journal's mission is to publish articles that report both the practical applications of research findings and the knowledge gained by experienced professionals.

Published six times per year, each issue includes peer-reviewed articles on a wide variety of timely strength and conditioning topics as well as regular features that provide thought-provoking accounts of people, programs and issues.
