## British Journal of Haematology

*The Official Journal of the British Society for Haematology*

---

Source: Wiley-Blackwell

ISSN: 00071048

EISSN: 13652141

The British Journal of Haematology publishes original research papers in clinical, laboratory and experimental haematology. The Journal also features annotations, reviews, rapid papers of special scientific importance, short reports, Letters to the Editor and book reviews. In addition, the Journal publishes, in supplement form, abstracts of the meetings of the British Society for Haematology and the European Haematology Association. In 1996 The British Journal of Haematology increased from 12 issues a year to 16, highlighting its importance as one of the world's leading international haematology journals.
