

Chest

The official publication of the American College of Chest Physicians

Source: American College of Chest Physicians

Author(s): Editor in Chief: A. Jay Block, MD, Master FCCP

ISSN: 00123692

Each month Chest features cutting edge clinical investigations in the multidisciplinary specialties of chest medicine, such as pulmonology, cardiology, thoracic surgery, transplantation, sleep and breathing, airways disease, and more. Chest also features basic science, special reports, case reports, board review questions, and more. Editorials and communications to the editor explore controversial issues and encourage further discussion by physicians dealing with chest medicine. Nearly 23,000 readers worldwide turn to Chest each month to keep up-to-date on the latest in chest-related medicine.
