MIDIRS Midwifery Digest

MIDIRS assists the professional through articles and updates on current midwifery, medical and social research.

Source: MIDIRS (Midwives Info. & Resource Service)

ISSN: 09615555

MIDIRS journal includes original research papers and provides summaries of published works and news items, extracting relevant papers from a number of different disciplines related to midwifery practice and maternity care. This demonstrates recognition of real multiprofessional partnerships and reflects the academic and clinical environment.
