BJU International

Published on behalf of the British Association of Urological Surgeons and the Urological Society of Australasia

Source: Wiley-Blackwell

Author(s): John Fitzpatrick

ISSN: 14644096 EISSN: 1464410X

The British Journal of Urology is one of the most highly respected medical journals in the world. It presents unparalleled coverage of contemporary urological opinion, clinical reports and studies, innovations and developments. Every issue gives invaluable practical information in the form of primary papers, review articles, case reports, basic science articles, correspondence and book reviews, reports of meetings and BAUS reports.
