Archives of Dermatology

Source: American Medical Association (AMA)

ISSN: 0003987X

EISSN: 15383652

Archives of Dermatology, an investigative journal for clinicians, publishes peer-reviewed original articles. The Archives is recognized as one of the most influential publications in its field, and is the oldest dermatology journal in America. Features such as "The Cutting Edge," focusing on medical and surgical therapeutics, and "Off-Center Fold," presenting clinical cases in photo quiz form, keep Archives lively and interesting.
