

Advances in Nursing Science (ANS)

ANS is a peer-reviewed journal that provides contributions to the development of nursing science and promotes the application of emerging theories and research findings to practice.

Source: Lippincott Williams & Wilkins (LWW)

Author(s): Peggy L. Chinn

ISSN: 01619268

EISSN: 15505014

Consistently ranked as one of the most-read and most assigned journals by faculties of doctoral programs in nursing, *Advances in Nursing Science (ANS)* is the most stimulating publication in nursing science and education today. *ANS* is intellectually challenging, yet readable; innovative, yet scientifically sound and reliably researched. Each issue features a single timely research topic with exciting implications for patient care. *ANS* provides contributions to the development of nursing science and promotes the application of emerging theories and research findings to practice. Articles in *ANS* are peer-reviewed and chosen for their pioneering approaches and perspectives, which set the direction for nursing practice today.
