

## Spine (journal)

***Recognized internationally as the leading journal in its field, Spine is an international, peer-reviewed, bi-weekly periodical that considers for publication original articles in the field of Spine.***

Source: Lippincott Williams & Wilkins (LWW)

Author(s): James N. Weinstein

ISSN: 03622436

EISSN: 15281159

Spine is the leading subspecialty journal for the treatment of spinal disorders. Only original papers are considered for publication with the understanding that they are contributed solely to Spine. The journal does not publish articles reporting material that has been reported at length elsewhere.
