Seminars in Respiratory and Critical Care Medicine

Source: Thieme Medical Publishers

ISSN: 10693424

EISSN: 10989048

A broad new scope designed to keep you abreast of a rapidly expanding medical discipline. Now expanded to include critical care, *Seminars in Respiratory and Critical Care Medicine* is the definitive source for continuing developments in the field. With each bi-monthly issue focused on a single important topic and guest edited by a leading expert in that area, the journal is virtually an in-depth seminar on current issues.
